CERTIFICATE OF LISTING

IAPMO Research and Testing, Inc. is a product certification body which tests and inspects samples taken from the supplier's stock or from the market or a combination of both to verify compliance to the requirements of applicable codes and standards. This activity is coupled with periodic surveillance of the supplier's factory and warehouses as well as the assessment of the supplier's Quality Assurance System. This listing is subject to the conditions set forth in the characteristics below and is not to be construed as any recommendation, assurance or guarantee by IAPMO Research and Testing, Inc. of the product acceptance by Authorities Having Jurisdiction.

Effective Date : October 2009 Void After: October 2010

Product: **Sewer Fittings (PVC)** File No. 2518

Issued To : GPK Products, Inc.
1601 - 43RD STREET NW
FARGO, ND 58102-

IDENTIFICATION: Manufacturer's name or trademark, nominal size, "PVC", and "Specification D 3034" and the UPC® certification mark.

CHARACTERISTICS: White polyvinyl chloride (PVC) fittings with either belled ends and elastomeric gaskets or tapered sockets for solvent cement joints. To be used with IAPMO listed compatible polyvinyl chloride pipe and solvent cements.

Installation to comply with the manufacturer's instructions and the requirements of the latest editions of IAPMO Installation Standard IS 1 and the Uniform Plumbing Code.

These fittings are listed for use with sewer pipe only, and are not intended for use with drainage, waste and vent or industrial waste and sewer piping.

Products comply with the applicable sections of the latest edition of the Uniform Plumbing Code®. Manufactured in compliance with ASTM D 3034-2008 and NSF/ANSI 14-2007.

Products listed on this certificate have been tested by an IAPMO R&T recognized laboratory. This recognition has been granted based upon the laboratory's compliance to the applicable requirements of ISO/IEC 17025.
