

September 30, 2020

Subject: Recycled Content / Made in USA

To Whom It May Concern:

This letter is to certify in writing that GPK Products Inc. produces fittings to the ASTM standards listed below. The fittings are produced at our manufacturing facility located at 1601 43rd Street north in Fargo, ND 58102 USA.

The following applicable documents of ASTM standards apply:

D 3034	PVC PSM Sewer Fittings
F 679	PVC Large-Diameter Sewer Fittings
F 1336	PVC PSM Gasket Sewer Fittings
D 2665	PVC DWV IPS Drainage Fittings
F 1866	PVC DWV SCH 40 Fabricated Drainage Fittings
F 949	Fittings For PVC Corrugated Sewer Pipe With Smooth Interior
F 794	Fittings For PVC Profile Gravity Sewer Pipe

- These standards allow for use of clean rework material generated from the manufacturers own pipe and fittings.
- Post-consumer and Pre-consumer products cannot be used when fittings are manufactured to the above standards.
- PVC fittings are not produced from Rapidly Renewable Materials.

If any other documents are in question, please advise.

Sincerely,

GPK PRODUCTS, INC.

Mark Jacobs
