GPK Products, Inc. drainage products & waste water access chamber price increase.

GPK Products will be implementing a 12% price increase on drainage products & waste water access chamber effective March 15, 2021. The price increase is due to increased raw material costs, freight costs, as well as labor cost increases.

New list prices will be available at www.gpk-fargo.com,

Please contact your local manufacturer's representative or your local GPK Products Regional Sales Manager if you have any questions.

Sincerely,
