

6 April 2026

GPK Products, Inc. & GPK drainage products price increase 5/4/2026

GPK Products will be implementing a 10% price increase on all rigid PVC fittings and drainage products effective May 4th 2026. The price increase is due to geopolitical supply chain disruptions. These range from raw materials, packaging, as well as transportation.

New GPK Products and Drainage products list prices will be available at www.gpk-fargo.com prior to the increase.

Please contact your local manufacturer's representative or your local GPK Products Regional Sales Manager if you have any questions.

Sincerely,

Joe Hoffman
National Sales Manager
